About Us: POP YACHTS SALES
Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Low Hours! Clean Condition with Twin 250 HP
Rotax Engines.

Calling all thrill-seekers and watersport enthusiasts!
Carve up the waves in style with this 2018 Chaparral
2430 VRX Jet Boat!

Chaparral thought of a lot of the little things that
make this 2430 VRX more enjoyable to use and
maintain. From the removable seats to allow ease of
entry at both the front and rear of the boat, to the 7"
touch screen to control systems and more, to the
Aerial Surf Platform with Ballast that makes surfing
so much more enjoyable.

The Aerial Platform redirects the thrust from the
twin nozzles which makes the surface smooth, tall
and a thrill to ride.

With the twin 250-horsepower Rotax engines, you'll
be able to fill the boat with up to 12 passengers and

still have the power to surf, board, and ski behind the boat.

Relax and unwind in the luxurious cockpit, featuring plush seating and Rear facing seats to enjoy the stereo system while hanging out. The Stereo remote at the stern can control the sound system, and there's a table mount at the rear for snacks when you're relaxing.

Other amenities included on the 2430 VRX are the enclosed head with a porta-potty that has a waste tank flush port, a bow ladder, a built-in cooler, and even the freshwater shower at the rear of the boat to clean off the beach sand.

The jet drive system eliminates the need for propellers or complex drivetrains, making maintenance a breeze.

This powerful and clean Chaparral is your ticket to unforgettable adventures on the water.
