About Us: POP YACHTS SALES  
Experienced Sales + Customer Service  
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Title: Clean fishing machine!  
Repowered in with a  
Suzuki 300 HP with Fly  
By Wire Controls! F

Country: United States

City: Gig Harbor

Built: 1988

Description: Stock #386045 -

Clean fishing machine! Repowered in with a Suzuki 300 HP with Fly By Wire Controls! Full transom floating motor mount bracket!!

Are you ready to head offshore and catch the big fish? Now you can with the confidence of a solid-built 1988 Grady-White 240 Offshore. Boasting one of the largest deck platforms in its class, the 240 Grady will treat you and your buddies to a great day on the water. This well-equipped Walkaround with the completely enclosed helm station features a seller-added diesel heater to warm up after landing your catch of the day!

The 1988 Grady White 240 Offshore was repowered in 2020 with a New Suzuki DF300 engine. Just 170 hours on this 300 horse powerhouse that will easily get you on plane and take you to your favorite fishing spots. Featuring Fly-by-Wire precision

controls (a \$3,000 upgrade), a push button start and stop along with the Suzuki multi-function display for all engine data, this high-tech Suzuki engine will give you lean burn for optimized fuel burn at all speeds.

This Grady White 240 Offshore is a true bluewater boat and trailerable package and is Grady-White's flagship model in the offshore series. It has a massive 110 sq ft self-bailing cockpit and walkaround cabin and is jam-packed with fishing features like a built-in anchor locker, tackle drawers, port and starboard, over 300 quarts of insulated fish boxes, cockpit rod racks for 10 poles as well as built-in gunnel rod holders. This is a fishing machine.

Everything about this cool boat is geared toward fishing with room for gear, coolers, crab traps, and room to move around without bumping into your fishing partners. The 24' Grady White 240 offshore - the "GV" model has the full transom and live well. Brand new full beam aluminum motor bracket installed in 2021 with kicker mount. A 90 gallon fuel tank along with a 55 gallon auxiliary fuel tank. A live well with cool blue light that features a timer programmable via Bluetooth.

The cuddy cabin sleeps two or a cozy three and gives you a great space to stretch out after a long day of casting and reeling in your catch. There is a hidden port-a-potty for extra convenience.

Upgraded electronics include a Simrad Go7 XSE chart plotter-fishfinder with Navionics Platinum Plus software for West Coast and Puget Sound. The Latest version 3 in 1 Active Imaging Transducer with Broadband Sounder CHIRP sonar plus Structure Scan - HD Side Scan and Down Scan Imaging.

Other great features include two recent batteries and an on-board battery charger. Standard Horizon VHF and a new marine-grade Ancor brand wire pulled to a new switch panels for any extra accessories you

could want. There's also a NEMA 2000 backbone 10\'' Android tablet running Navionics app with dedicated power (USB-c).

This well-equipped 1988 Grady comes with a full hardtop and lighting along with a new Isinglass helm enclosure. Forward spotlighting along with an aft cockpit spreader light. Port and Starboard down lights for squid and bait night fishing. Newer bilge pumps - forward and aft and an extra backup bilge pump in the aft well. Green underwater light for pulling in squid and bait fish that lights up like a fish tank at night. Two fish boxes - Never used for fish, plus one smaller box for miscellaneous gear. Two Penn downriggers: one electric and one hand crank - both with recent braided line.

This is a great boat design with very real-world functionality - tons of room in the cockpit area for fishing or entertaining. With cutting-edge features, ample storage, and fish-finding technology, you'll be reeling in trophy catches like never before.
