Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Less than 40 hours on the engine! Includes 2 live wells, Garmin chart-plotter-fishfinder!

***** CERTIFIED SINGLE OWNER *****

This 2017 Stingray 19-foot 186CC deck boat is a center console fishing boat and family deck boat all rolled into one. This makes it very versatile for a day hanging out with family and / or a day with fellow anglers.

For a day out with the family, there is plenty of room for moving around, and it seats 7. There are two rear flip-down seats which make it easy to enter and exit the boat from either port or starboard. There is also a removable pedestal seat forward.

There are lots of storage areas throughout the entire

boat. So, any supplies needed can be neatly stowed without cluttering the deck.

For a day out fishing with fellow anglers, the low-profile design makes it easy to navigate in low-clearance areas. There is an adjustable helm seat for two which houses the 26-gallon live well, and the forward bench has the upgraded (from cooler) 17-gallon live well.

The walk-around access, combined with the large foredeck, makes it easy for anglers to quickly move around the boat. Additionally, two rear seats that lift up for seating can quickly fold down for use as casting platforms. Fishing rods are easily stored and accessible due to port and starboard rod storage.

This boat has lots of upgrades including bow cushions, bimini, and a Garmin echoMAP DV plotter-GPS-fishfinder.

This 2017 Stingray 186CC has had very little use but has been well cared for. Don't wait!! This one won't be around long!!
