Title: New Mercury SeaPro 200
HP 3.4L V6 Outboard
Engine

Country: Indonesia

City: Kalimantan

Address: Jl. Ahmad Yani No. 132 Melayu

Condition: New

Fuel: Gasoline

Description:

SEAPRO ADVANTAGES

- Reduced Fuel Cost: Advanced Range Optimization (ARO) and closed-loop fuel control on the SeaPro outboards precisely adjust the fuel mixture for optimal fuel economy.
- Maximum Durability: SeaPro outboards feature a heavy-duty gearcase that is validated at three times the lifespan of recreational gearcase and slips easily through the water, decreasing workload on the engine.
- Compact Flexibility: The SeaPro outboards mount on 26-inch centers, making them ideal for a broad range of multi-engine applications and simple, seamless repower rigging.
- Light and Mighty: Less weight means more efficiency. The V6 200 HP SeaPro is the lightest engine in its class. A combination of ample torque and less weight makes these outboards ideal for heavily loaded boats.

New Inboard Engine And Outboard Engines For Boating
