Additional information

Description

Stock #508673 - Solid 2003 Grady-White 28.3' New 2024 Electronics Radar, Auto Pilot, Garmin Trolling' Yamaha 250 HP engines, with only 89 hours. Great value!!! This 2003 Grady-White 283 Release represents the pinnacle of American boatbuilding, elevated by premium, modern Yamaha 4-stroke power. It is an offshore weapon on Saturday and a luxurious family sandbar cruiser on Sunday. Clean, well-maintained, and fully loaded with features that cost a fortune on newer models, this boat offers unmatched value in today's market. Don't wait for the season to pass you by. Serious anglers and coastal cruisers, your search ends here. Up for sale is the legendary 2003 Grady-White 283 Release, a premier center console built to conquer rough blue water while providing absolute comfort for family and friends. This specific 283 Release has been heavily upgraded and repowered with high-performance Twin Yamaha

250 hp 4-Stroke outboards, offering an incredible balance of efficiency, reliability, and thrilling speed that leaves factory setups in the wake. At the helm, the captain enjoys total command. A standout feature is Grady-White's electrically operated pop-up electronics enclosure. With the push of a button, your valuable marine electronics lift into plain view; when the day is done, the console retracts flush into the dash, keeping your gear locked up, dry, and safe from the elements. A low-profile aluminum bow rail and a rugged T-top complete the profile. This is a brand new listing, just on the market this week. Please submit all reasonable offers.
