Description

Stock #507254 - Tubing, swimming, and sunset cruises for the entire family await aboard this fun 2022 Regal 21 OBX with easy outboard power. Sunshine, good company, and open water are calling, and the 2022 Regal 21 OBX is ready to answer. This bowrider pairs outboard power with Regal's FasTrac hull for quick jumps onto plane, a smooth ride, and handling that makes every turn a little more fun. With the motor hanging off the back, the cockpit stays wide open for friends, family, and all the gear a great lake day needs. Pile into the bow for sunbathing and snack breaks, or kick back in the cockpit seating where everyone can keep the conversation going. Stash coolers, towels, life jackets, and water toys in the built-in storage and keep the deck clear for good times. The helm is simple and easy to use, so the captain can focus on the fun instead of fiddling with controls. Ready for tubing, skiing, or a lazy afternoon cruise, the 21 OBX has the pep to keep up with whatever the crew has in mind. When it's time to cool off, the swim platform at the stern makes jumping in and climbing back aboard a breeze. As a 2022 model, this Regal still has plenty of summers ahead full of sunsets, cannonballs, and memories. Bring the whole gang, turn up the tunes, and make every weekend count.
