Additional information

Description

Stock #509204 - Grady-White Cuddy Cabin for Sale! Super Clean! New Fuel Tanks, Bolsters, Head, Cushions, Holding Tanks! Simrad 07! Bring Offers Today! Motivated Seller Bring Offers!!! The seller discloses that the port engine is having performance issues. The seller states the compression is good and it runs, however they were told the engine needs a EMM. The seller does not wish to repair the boat, as they are in the market for another boat. The seller replaced the fuel tank and re-cored the fuel tank deck. Which are common costly failures for this vessel. The boat appears to be in above average condition for its age and not a major project. Repair or repower the engines and you would have a solid Grady. The boat has new cushions that have not been used, they were installed for the pictures. The seller also replaced the head and holding tank. Also included are outrigger and mounts. The boat will also come with a a spare lower unit. Please note, the boat does not have a generator or air conditioning. If this sounds like the boat for you, feel free to request a showing or make an offer. This is a brand new listing, just on the market this week. Please submit all reasonable offers. At Pop Yachts, we will always provide you with a TRUE representation of every vessel we market. We encourage all buyers to schedule a survey for an independent analysis. Any offer to purchase is ALWAYS subject to satisfactory survey results.
