Description

Stock #510685 - Pristing Condition, Like New. Low Hours. Ready for the Water. Experience the 2021 Sea Ray SPX 210: Where Legendary Craftsmanship Meets Everyday AdventureFor more than six decades, Sea Ray has defined the standard for American pleasure boats, blending refined styling, meticulous attention to detail, and dependable performance that owners trust season after season. The 2021 SPX 210 continues that tradition in a compact, versatile bowrider built for families and friends who want quality without compromise. Measuring 21 feet 6 inches overall with a generous 8-foot 6-inch beam, this boat carries up to 12 passengers and is powered by a reliable Mercury 150 four-stroke outboard motor with less than 50 hours on it. Its 19-degree deadrise and thoughtful hull design deliver a smooth, confident ride whether you are cruising, tubing, or simply enjoying the day. The layout is thoughtfully

arranged for real-world use. The open bow offers comfortable seating with storage below, while the walk-through windshield leads to a roomy cockpit that seats the whole group. A convertible port companion seat faces forward or aft, an L-shaped aft bench provides lounge space with storage underneath, and a spacious sunpad sits behind the transom for relaxed downtime. An in-floor ski locker keeps boards, life jackets, and gear secure and out of the way, and a self-bailing cockpit with drainage channeling makes cleanup simple after swimming. At the helm, power-assisted steering and a tilt wheel pair with clear instrumentation (and optional Simrad digital displays) for intuitive control. A Fusion audio system with Bluetooth streaming sets the soundtrack, while USB outlets and cup holders keep everyone connected and comfortable. Practical features elevate every outing. The integral swim platform with a four-step ladder and ski tow eye makes reboarding and watersports effortless. Marine-grade vinyl upholstery resists UV and mildew, stainless accents add durability and polish, and generous storage compartments throughout the boat keep the cockpit uncluttered. The Bimini top keep you shaded when out on the water for long periods of time, or just relaxing, enjoying the water. Whether you are looking for reliable weekday evening runs or full weekend outings, the 2021 Sea Ray SPX 210 delivers the brand's signature blend of quality construction, functional layout, and ready-to-go performance. Step aboard and see why Sea Ray remains a trusted name on the water. Contact us today to schedule a viewing or learn more about this exceptional boat.
