Additional information

Description

Stock #507573 - Well maintained 2022 Bayliner T22CC with only 79 hours! The 2022 Bayliner T20CC Center Console is a versatile, well-designed boat that brings together fishing functionality, family-friendly comfort, and outstanding recreational value. Powered by a single 115 HP Mercury FourStroke outboard, this 20-foot-class boat is an appealing choice for anglers, weekend cruisers, and families looking to enjoy everything from a morning on the fishing grounds to a relaxing afternoon on the water. The T20CC's spacious center console layout provides excellent flexibility for a variety of activities. The open cockpit allows easy movement around the boat, while the broad bow offers room to fish, relax, or enjoy the ride. Forward and aft fishing areas, generous storage, and gunwale rod storage help keep gear organized and accessible. At the helm, the center console features a stainless-steel steering wheel, a protective windscreen, tilt steering, and easy-to-read multifunction gauges. The leaning post provides a comfortable position for operating the boat, while removable cushions and flip-up transom seats let you adapt the seating arrangement to suit the day's plans. Designed with practical boating in mind, the T20CC includes a self-bailing cockpit for easier cleanup, a 1,200 GPH bilge pump, an integrated vent fuel fill, and a battery switch. Fishing amenities include a leaning-post livewell, an aerated livewell, an insulated fish box, and rod storage along the gunwales. An anchor locker, 12-volt navigation lights, a 12-volt horn, and swim platforms on both sides of the outboard with an access ladder add everyday convenience. The waterproof 120-watt AM/FM stereo with Bluetooth capability provides entertainment underway or while relaxing at anchor. The deep-V hull, with its 18-degree deadrise, is designed to provide a confident, composed ride across changing water conditions. The single 115 HP Mercury FourStroke offers a straightforward outboard-powered setup for owners who value practical operation and recreational

versatility. Actual performance will depend on load, propeller, water conditions, and engine setup. What makes the 2022 Bayliner T20CC particularly attractive is its balance of usable space, fishing-oriented equipment, and family-friendly features in one adaptable package. Rather than dedicating the entire boat to a single purpose, the T20CC can transition easily between fishing trips, coastal exploring, day cruising, and swimming stops. Its generous 65-gallon fuel capacity supports longer outings, while its 22-foot-class footprint offers substantial room without stepping up to a much larger vessel. For buyers seeking a capable center console with useful standard equipment and the flexibility to make the most of every day on the water, this Bayliner deserves serious consideration. This listing has now been on the market 30 days. If you are thinking of making an offer, go ahead and submit it today! Let's make a deal! Reason for selling is no time to use it.
