Description

Stock #505990 - Good Condition. Well Maintained. Ready for the Water. Looking for a Great Family Bowrider? Look no further; this 2012 Regal 24 FasDeck RX is a great Deck boat for a day on the water. Comes with a custom trailer made for this boat. The boat is powered by the Volvo Penta 5.0L Inboard/Outboard with Duo Counter-Rotating Stainless Steel Props that get you out of the hole and up on plane quickly and effortlessly! The layout of the boat seats up to 11 people and is comfortable, with plenty of room to move about and enjoy the day on the water. The boat has an enclosed head compartment with a porta-potty with a freshwater sink and transom shower. The boat has a waterproof Fusion Marine Stereo System with six speakers throughout the boat that has an LED display, AM/FM radio, and an internal iPod/MP3 dock. This boats sound system has been upgraded with 2 separate 12" bass sub woofers in marine boxes with full surround sound SKAR Audio Speakers and Amps as well. It is equipped with a Neutra Salt Capabilities, but has never been put in anything but Freshwater. It also has a built-in battery tender that can be plugged into an extension cord so the batteries are kept fully charged and you don't have to worry about it being able to crank right up! The FasTrac Hull Design features a mid-beam step that reduces drag, delivering up to 30% better fuel economy and 26% higher cruise speeds than traditional hulls, so you get the best of both worlds with this unique hull design. The boat comes with Bow and cockpit snap-down covers, a full mooring cover for storage/transport, a bimini top, and its own cover. All are in very good condition for a 2012. The boat has been stored indoors, and it shows. Don't hesitate to contact me with any questions about this boat or to schedule an appointment to see it in person - you won't be disappointed!
