Additional information

Description

Stock #501532 - Rule the water. Own the Tournament in this 2017 Ranger Z519Ranger's Z519 is a 19-foot-6-inch fiberglass tournament bass boat, and this 2017 single-console example carries the maximum rated 225 HP -- a Mercury V6 two-stroke with 400 hours -- on its matching 2017 Ranger Trail tandem-axle trailer with tires that are about five months old. It is already rigged to fish: a 112-pound-thrust, 36-volt Minn Kota Fortrex up front running on three newer trolling batteries, Garmin LiveScope with the LVS32 transducer on a 9-inch display, and Lowrance units at both the bow and the console, so you can see fish and structure in real time from day one. The deck layout is built for tournament days: a 26-gallon recirculating aerated livewell with removable divider and automatic timer, two 8-foot rod boxes with a rod storage organizer, an integrated tackle organizer, an insulated cooler, a Runnin' rod rack, lockable storage with stainless compression lid locks, and a Ranger tournament measuring board. A recessed trolling motor foot pedal keeps the front deck clear. At the helm, the gauges cover speed, tach, fuel, trim, and water pressure, with hydraulic steering, power trim, a stainless steel prop, an integrated engine set-back, and a Dual Pro on-board charger. SRS bucket seats, a bike seat on a pro pole, and a 37-gallon fuel tank round it out. Contact me with any questions or go ahead and make an offer. This is a brand new listing, just on the market this week. Please submit all reasonable offers. Reason for selling is downsizing to an 18 ft boat..
