Additional information

Description

Stock #509368 - 2016 Nitro Z20 Pro! Only 201 hours on the Mercury 2 stroke! Freshwater only! Power Pole and trolling motor with Spot Lock! This 2016 Nitro Z20 Pro is a well-equipped bass boat that's ready for the water. It has been owned by the original owner since new and stored in a garage when not in use. Power comes from a Mercury 200HP 2-stroke outboard with only 201 hours. Designed with serious bass fishing in mind, the Nitro Z20 features a spacious fishing layout with plenty of room to move around the front and rear casting decks. Fishing upgrades include a Power-Pole shallow water anchor, updated electronics, and a Minn Kota Ghost trolling motor with Spot-Lock technology for precise boat positioning while fishing. The Hot Foot throttle provides convenient foot-controlled acceleration, keeping your hands free while driving. The Mercury 200HP provides plenty of power, while the updated electronics, Ghost trolling motor, and shallow water anchor make this Z20 a great setup for finding and staying on fish. If you're looking for a well-maintained 2016 Nitro Z20 Pro bass boat with low engine hours, desirable fishing upgrades, and original-owner history, this one is worth a closer look. Located in Princeton, Texas. This listing is new to market. Any reasonable offer may be accepted. Submit an offer today! Reason for selling is no longer needing.
