Description

Stock #506702 - 1999 Sea Ray Sundancer 380. Ready for Next Adventure. The 380 Sundancer is one of the boats that built Sea Ray's express-cruiser reputation, and this 1999 example carries the layout that made it work: a 13-foot beam on a deep-V hull with twin MerCruiser V-drive inboards tucked under the cockpit, leaving the swim platform clean and the salon full-sized. The engines show 935 hours, and the boat has been used in fresh water only. The cockpit is set up for entertaining with a wraparound lounge, a wet bar, and a double companion seat beside the helm, where a Lowrance chartplotter/GPS handles navigation. Below, the interior runs cherry cabinetry with a salon sofa, a galley with a full-size refrigerator, and a head with a shower. It sleeps six across three berths: a forward stateroom separated from the salon by a pocket door, a private mid-cabin berth aft, and the convertible salon sofa -- the two-stateroom arrangement that keeps owners and guests out of each other's way on a weekend aboard. It is set up to stay out, not just go out: a generator installed four years ago with just 30 hours, two air conditioning units, 275 gallons of fuel, 70 gallons of water, and a 42-gallon holding tank.
