Description

Stock #508009 - Well Maintained 2021 Regal 1900 ESX, featuring a high-performance FasTrac hull for unmatched speed and agility. Get ready to experience the ultimate day on the water with this stunning 2021 Regal 1900 ESX. Built for those who refuse to compromise on performance or luxury, this nineteen-foot sport bowrider punches way above its weight class. At the heart of this machine is the highly dependable Volvo Penta V6-200 horsepower sterndrive engine. When you pair that refined, smooth-shifting V6 power with Regal's legendary, patented FasTrac stepped hull, you get an incredibly efficient ride that planes faster, corners tighter, and sips fuel at an economical seven gallons per hour while cruising comfortably at 28 miles per hour. When you want to let it loose, this boat will effortlessly rocket you to a thrilling top speed pushing fifty miles per hour. Step inside and you will immediately see that this boat is designed around the social experience. The clever layout maximizes every square inch of cockpit space, easily accommodating up to 9 passengers with expansive wrap-around seating, premium upholstery, and deeply integrated storage areas that double as coolers. Because this boat is purely focused on premium day-boating comfort, you do not have to worry about the maintenance, weight, or winterization hassles of complicated freshwater pumps or waste holding tanks. It is a pure, low-maintenance sport boat designed for maximum fun. Whether you are teaching the kids to wakeboard, towing tubers, or just cruising out to watch the sunset with friends, the 2021 Regal 1900 ESX delivers an unmatched blend of style, agility, and pure excitement that will make you the envy of the lake. Give us a call today at 917-500-2831 to arrange a showing, or make a risk-free offer to see what the seller is willing to accept before another happy captain comes along!
