Additional information

Description

Stock #505383 - The 1976 Jeffries 32 is Classic Sedan Sportfisher with a heavy build, well fitted and recent mechanical updates. Own a classic sportfisher with the comfort and equipment to enjoy it today - this 1976 Jeffries Flybridge Sedan was refurbished in 2018 and is ready for fishing trips, coastal cruising, overnights, and weekends aboard. With its timeless Jeffries profile, roomy sedan layout, elevated flybridge helm, and generous cockpit, this boat offers the solid feel and classic character serious boaters appreciate while providing the practical amenities needed for a comfortable day - or several days - on the water. The flybridge is outfitted with a Simrad fishfinder-GPS-chartplotter, and radar, giving the captain valuable navigation and fish-finding capability for coastal runs, harbor cruising, and offshore adventures. A full bridge canvas and isinglass enclosure helps protect the helm area from sun, wind, and changing weather, while the full cockpit room canvas expands the usable living space and provides added shelter when relaxing at the dock or at anchor. The 220-gallon fuel tank supports longer-range cruising and fishing plans without constant fuel-stop interruptions. Below deck, the comfortable cabin is equipped for extended outings with a galley featuring a 2-burner electric stove, microwave, and refrigerator / freezer. The boat also includes an electric-flush toilet for added convenience and comfort aboard. Whether you are headed offshore in search of your next catch, planning a Catalina getaway, entertaining friends for a sunset cruise, or looking for a distinctive classic yacht with meaningful updates, this refurbished 1976 Jeffries Flybridge Sedan delivers vintage sportfishing style, versatile cruising space, and the equipment to make time on the water more enjoyable.
