Additional information

Description

Stock #464150 - This vessel was SOLD on November 6.2001 Silverton Sport Bridge 330 with twin Crusader 7.4 MPI 350 HP inboards with Velvet V-drives.BOTH ENGINES WERE REBUILT IN JULY 2024 MAY 2026 -- Genset fully serviced, fresh batteries $35000 worth of work on the boat -- just needs a new home port! Overall LOA is 35' 4" with a generous beam of 12' 4"The Silverton 330 Sport Bridge isn't your average 33-footer. With its unique Sport Bridge design, it opens up the living space in ways most boats this size can't touch - connecting the bridge, cockpit, and salon so everyone can stay part of the fun. Whether it's sunset cruising, weekend getaways, or tying up with friends, this layout was made for people who like to gather. Under the hatch, she's got the muscle to match her style. Twin MerCruiser 7.4L big blocks deliver classic big-block performance with that unmistakable rumble. Now, full disclosure, this isn't a showroom queen. The upholstery has a "sunkissed" vibe that some will call character and others will want to refresh. The genset is glitchy (like most of its peers), and the bow thruster will need a check-up. None of that overshadows the core value here: A rock-solid Silverton with big blocks and plenty of space to enjoy on the water. For the right buyer, she's an opportunity - strong bones, serious power, and a design that delivers way more than the average cruiser her size. With a little love where it counts, she'll be a head-turner again. At Pop Yachts, we will always provide you with a TRUE representation of every vessel we market.
