Description

Stock #505547 - 2018 KEY WEST 261 BILLISTIC CENTER CONSOLE WITH TWIN YAMAHA 200s, INCLUDES CONTINENTAL TRAILERThis 2018 Key West 261 Billistic is a serious offshore center console that combines rugged construction, excellent fishability, strong performance, and the comfort needed to make a full day on the water enjoyable for everyone aboard. This particular boat is in good condition and represents an excellent opportunity for someone looking for a substantial, well-built and completely equipped, offshore CC including Radar and two Garmin MFD displays, and the big Minn Kota trolling motor with Li batteries, top of the line! This Billistic has Custom Spray Suppressors added. Power comes from twin Yamaha F200 four-stroke outboards, providing a great combination of performance and efficiency. The boat gets on plane quickly, cruises comfortably in the midrange, and has plenty of power available when conditions or circumstances call for it. With approximately 185 gallons of fuel capacity, the 261 Billistic also has the range needed for offshore fishing trips and long days of cruising. The hull is designed to carry its weight through chop rather than bounce across the top of it. That translates into the solid, confident ride. There are dual livewells, including a primary livewell behind the helm area and another incorporated into the transom. A large insulated in-floor fish box provides plenty of room for the day's catch and is equipped with a macerator system for easier drainage and cleanup. Rod storage is abundant throughout the boat, with multiple rod holders, rocket launchers on the T-top, and under-gunwale storage that keeps additional rods secure yet readily accessible. The helm and leaning-post area also incorporates tackle and equipment storage, giving anglers convenient access to the gear they use most. Raw- and freshwater washdown capability makes cleanup easier after fishing, diving, or simply spending a long day around saltwater. The overall layout provides plenty of working room around the

console, making it easy to move from bow to stern when fighting a fish. At the helm, supportive captain's seating provides a comfortable operating position whether you're sitting or standing. Flip-up bolsters, armrests, foot support, and good visibility make the helm comfortable for longer runs. The center console provides access to a private step-down head compartment, an important feature for families and anyone planning to spend an entire day aboard. At the stern, a fold-away transom bench provides additional seating when cruising. When it's time to fish, it folds away to restore valuable cockpit space. For the family, there's comfortable seating, a protected helm, bow accommodations, a private head, and enough room to enjoy cruising, island hopping, waterfront restaurants, or simply spending the day on the water. This 2018 Key West 261 Billistic has been kept in good condition, it deserves serious consideration from anyone searching for a capable offshore center console that doesn't force them to choose between fishing performance and family usability. This listing has now been on the market 30 days. If you are thinking of making an offer, go ahead and submit it today! Let's make a deal! Reason for selling is going smaller. done with 100 miles offshore.. At Pop Yachts, we will always provide you with a TRUE representation of every vessel we market.
