Description

Stock #504071 - 2025 Bayliner VR-5 with only 25 hours. Engine is still under warranty! Escape to the water whenever the urge strikes in this barely used 2025 Bayliner VR5 bowrider, a versatile 21-foot runabout designed for sun-soaked days with family and friends. Powered by a Mercury 150 hp four-stroke outboard with less than 25 hours on the clock, it delivers smooth, efficient thrust for everything from lazy coves to wakeboarding sessions, while the V-hull and refined lines ensure a confident, comfortable ride. Step aboard to an open, social cockpit where a wide bow with plush seating invites everyone to stretch out and soak up the view, while the ergonomic helm features a digital dash with Mercury Vessel View, and a Rockford Fosgate stereo so the playlist--and the vibe--never skip a beat. A walkthrough center windshield with side wings keeps the breeze just right, and a ski tow pylon means spontaneous watersports are always on the menu. Thoughtful touches like a privacy curtain, cockpit mat, and full covers make it easy to arrive, relax, and go--whether that's a sunrise fish, a sunset cruise, or a weekend anchored off your favorite beach. This VR5 is ready to become your go-to escape machine--no break-in, no waiting, just load the cooler, cue the music, and write your next water-day story.
