Description

Stock #499114 - Excellent Tritoon for Personal Use or Rental Fleet! Located in Panama City, Florida, this 2024 Custom Craft 29 Tritoon is the ultimate floating entertainment destination. This stunning 2024 Custom Craft 29' 6" vessel redefines what a Tritoon can be - combining jaw-dropping curb appeal with serious on-water size. With 10' of beam, this Custom Craft is truly a full-sized party boat. The owner has had up to 22 riders on this vessel. Power comes courtesy of a Suzuki 4-stroke outboard - smooth and fuel-efficient -- pushing this wide-body cruiser with confidence across any water. Whether you're running a cove party or cruising the lake, the ride is rock-solid and responsive. The sound system won't disappoint either! Custom Craft quality means this isn't a production-line pontoon - it's a hand-built statement piece with premium finishes, upgraded upholstery, and thoughtful layout details you won't find on anything off a showroom floor. This boat is part of a rental fleet and ready to sell. The trailer in the photos is used by the business to move rental boats in and out of the water.
