Additional information

Description

Stock #467673 - Incredible luxury, performance, and a sound system that will make you the envy of everyone on the beach when you are anchored. Experience luxurious entertaining and comfortable long-range cruising with this 2002 Regal 3860 Commodore, a standout express cruiser that punches well above its weight class. Measuring 39' 10" overall, this vessel is built on a solid fiberglass modified-V hull designed for stability and a smooth ride, powered by twin Mercruiser 8.1S Horizon engines providing a combined 740 horsepower. The cockpit is designed for social gathering, featuring a large semicircular settee, a wet bar with a sink, and a walk-through windshield for easy bow access to the sun pad. One of the vessel's most notable features is the hydraulically lifted rear deck, which allows for unparalleled walk-in access to the engine compartment directly from the oversized swim platform. Below deck, the 2002 Regal 3860 boasts a unique two-stateroom, two-head layout, a rarity for an express cruiser under 40 feet. The interior features high-gloss cherry wood joinery, luxurious Leather Crest salon seating, and a fully equipped galley with hardwood flooring. Both the forward master stateroom and the mid-stateroom offer privacy via solid sliding doors rather than curtains, with the aft stateroom boasting a dedicated en-suite head, standing dressing area, and twin berths that convert to a queen. Additional comforts include air conditioning and heating, a central vacuum system, and premium cabinetry for storage. Please submit any and ALL offers - your offer may be accepted!
