Additional information

Description

Stock #506984 - Well maintained 2018 Ranger Z518C with only 80 hours! Ready to spend more time fishing? This 2018 Ranger Z518C pairs a 2018 Mercury 200 Pro XS with a well-equipped fishing setup and the appeal of a garage-kept boat. This Ranger is in great shape and ready for its next owner to hit the water. The Mercury 200 Pro XS delivers the power to move between fishing spots, while the Lowrance Ghost trolling motor puts control at your feet when it's time to work an area. Whether you're covering water or settling into a favorite spot, this combination makes the boat an exciting choice for your next fishing season. Electronics include a Lowrance HDS 12 at the console and a Lowrance HDS 7 at the bow, giving you dedicated displays at both fishing positions. From checking your next destination at the helm to watching your electronics while working the trolling motor, the layout keeps information close at hand. Recent additions include an onboard three-bank charging system and a custom-made Ranger cover. The onboard charger adds convenience when preparing for your next outing, and the fitted cover helps protect the boat between trips. Garage storage has also helped keep this Ranger in the great condition it's in today. Practical extras include an Auto Plug and a trailer hand brake for use when the trailer is not being towed. These details round out a package that's ready for fishing days, weekend outings, and the next trip to your favorite lake. The 50th Anniversary Edition adds special appeal to an already attractive Ranger package. With low engine hours, Lowrance electronics at the console and bow, a Ghost trolling motor, and recent upgrades to the charging system and cover, there's plenty here to appreciate. If you're looking for a garage-kept Ranger with a Mercury 200 Pro XS and the equipment listed above already in place, this 2018 Z518C deserves a look.
