Additional information

Description

Stock #503466 - This vessel was SOLD on November 9. This 2025 Godfrey Sweetwater 2286 SFL combines the comfort and spacious layout Sweetwater pontoons are known for with the added performance and stability of a tritoon hull. Whether you're cruising with family and friends, heading to the sandbar, or enjoying watersports, this boat offers an excellent balance of comfort, performance, and versatility. At approximately 23' 10" overall with an 8' 6" beam, the 2286 provides plenty of usable deck space while remaining easy to handle and maneuver. The SFL floorplan is designed around comfortable lounging and entertaining, with generous seating throughout the boat and plenty of room for passengers to spread out. Premium marine-grade upholstery, captain and co-captain chairs, abundant storage, an easy-to-use helm layout, stereo system, Simrad GPS plotter-fishfinder, removable table, and large twin Bimini tops make it equally suited for relaxing cruises or full days on the water. Power comes from a Suzuki 250 HP four-stroke engine, providing strong acceleration, smooth cruising performance, and plenty of power for tubing, skiing, or carrying a full crew. The triple-tube configuration adds additional buoyancy and stability while improving handling and ride quality compared with a traditional two-tube pontoon. Godfrey's iMPACT triple-tube systems feature a larger center pontoon, lifting strakes, under-deck skinning, GPS speedometer, and increased fuel capacity of 61 gallons. Additional features include a galvanized trailer with ladder, full boat cover, outboard cover, ski pylon, premium boarding ladder.
