Description

Stock #499327 - 2022 Crest RS Series 230 SLC Tritoon. Low hours and monster power with a Mercury 300 L outboard. Full cover, dual Bimini, and loaded with extras! This 2022 Crest RS Series 230 SLC is the ultimate high-performance family pontoon boat, perfectly blending luxury, comfort, and exhilarating power. Powered by a Mercury 300 HP outboard engine with power steering and only 130 hours of use, this premium tritoon offers the incredible speed and aggressive bank-in turning performance of a traditional V-hull, while maintaining unmatched stability on the water. Built on Crest's renowned multi-chambered performance logs with a spacious 102-inch beam, the popular SLC layout features dual luxury captain's chairs mid-ship and expansive premium wrap-around lounge seating at both the bow and stern. The helm is fully upgraded for effortless navigation and entertainment, including a premium integrated Simrad 7 touchscreen chart plotter and fish finder, alongside a high-end Fusion audio system. Designed for maximum daily convenience and comfort, the tritoon is fully loaded with a suite of practical upgrades. The captain is exceptionally well-protected by two interchangeable windshields, including the manufacturer's original and a custom-made shield engineered to deflect the majority of the wind. Protecting the boat is equally effortless thanks to two included covers: a heavy-duty mooring cover featuring traditional snaps and support posts, and a secondary bungee-style cover with integrated perimeter straps that is ideal for quick, hassle-free daily protection. This complete family package also includes a built-in 120-volt trickle charger, two anchors, two moveable portable cup holders, and four heavy-duty dock fenders, making it an incredibly well-appointed tritoon that is ready to deliver unforgettable memories on the water for its next owner.
