Additional information

Description

Stock #510968 - Awesome Hatteras Sportfisher with 100 Gallon Bait Tank, Strong 350 HP Cat Diesels, cruises at 19 knots. Trade the everyday routine for sunrise departures, fishing with friends, and weekends on the water aboard this used 1983 Hatteras 32 Flybridge Fisherman. Measuring 35 Feet overall with a 12-foot beam and a 3-foot draft, this classic sportfisher offers a setting for a boating lifestyle built around both adventure and relaxation. Below decks, the model's cabin layout features forward V-berths, a dinette that converts to a double berth, and a galley--space to share a meal, retreat from the sun, or settle in for an overnight getaway. Twin Caterpillar 3116 diesel engines rated at 350 hp each, located beneath padded engine covers, give you the speed to get to the fishing grounds faster. The 265 Gallon fuel supply lets you travel further. Whether you picture yourself watching the morning unfold from the flybridge, working the cockpit in pursuit of your next catch, or lingering aboard after a day on the water, this Hatteras brings classic character and recent improvements to your next escape.** None of the tackle pictured in the photos comes with the boat. The Hatteras has been used for 6-pack trips, among other things.**This is a brand new listing, just on the market this week. Please submit all reasonable offers.
