Additional information

Description

Stock #511792 - 2014 Xpress H22B Water Ready with Everything You Need! 8' Power Pole, 24V Minn Kota Ulterra, Plenty of Storage, and Live Well! This well-maintained 2014 Xpress H22B is water-ready and comes equipped with multiple add-ons for anglers! Built on Xpress's signature Hyper-Lift hull, this 22-foot bay boat allows you to travel in shallow water as well as choppy open water! This boat features an 8' power pole and a 24V Minn Kota Ulterra trolling motor with auto stow/deploy and power trim controlled directly from the remote. The 24V trolling motor with spot lock provides ample thrust to hold position in strong tides and currents. At the transom, a high-performance jack plate allows you to fine-tune engine height on the water. Paired with the shallow hull, this allows access to shallow water most bay boats can't reach! The spacious deck layout includes front and rear aerated live wells that double as baitwells, keeping your live bait and daily catch healthy. Additional highlights include generous lockable rod storage, under-deck tackle compartments, fold-down rear jump seats, and a functional center console with integrated console rod holders and a clear windshield. This is a brand new listing, just on the market this week. Please submit all reasonable offers. Reason for selling is upgraded to a larger boat. At Pop Yachts, we will always provide you with a TRUE representation of every vessel we market. We encourage all buyers to schedule a survey for an independent analysis.
