The 2024 Sea-Doo Switch Sport 21 is a fun watersports boat that completely redefines the pontoon category by blending the thrill of a personal watercraft with the seating space of a deck boat. The Sport 21 is powered by a 230 HP Rotax 1630 CC engine, this boat doesn't just cruise; it hits speeds over 40 MPH and handles with the precision and agility of a Sea-Doo jet ski. This Switch has a lightweight Polytec tri-hull design, which makes it easy to tow and allows you to explore new areas with the family. The "Sport" model comes loaded for action. There is a dedicated ski tow eye, a rearview mirror for spotting riders, and a specialized Ski Mode that ensures consistent towing speeds every time. The seller upgraded the bimini to fully cover the boat deck! The Switch Sport has the Intelligent Brake and Reverse (iBR) system, which offers the world's first on-water braking and intuitive low-speed maneuvering.
