Additional information

Description

Stock #504462 - Well maintained 2021 Sundance DX20 with only 130 hours! Looking for a 20-foot Center Console Skiff that is designed for coastal fishing and family fun? Look no further; this 2021 Sundance DX20 Skiff is powered by a Suzuki 115 hp 4-stroke outboard motor that has been well maintained and has low hours on it. The boat is equipped with a Minn Kota Riptide GPS Terrova 80lb Thrust Trolling Motor with Spot-Lock, 2 newer trolling motor batteries, and two 9-inch Simrad GPS fish finders with maps already installed. The boat is constructed with a composite foam-filled hull, with no wood used in this boat. The cockpit is self-bailing as well. The boat has a Bimini top not shown in the photos, a stereo system and speakers, plus an onboard alternator so the trolling motors can be charged while the motor is running as well. There is a water pump for washdowns but no water tanks. The boat can seat up to 8 people. The fishing setup has large front and rear casting platforms with an integrated lighted live well and an under-seat live well and under-gunwale rod storage racks. Don't hesitate to contact me with any questions about this boat or to schedule an appointment to see it in person - you won't be disappointed! This listing has now been on the market a couple months. Please submit any and all offers today! At Pop Yachts, we will always provide you with a TRUE representation of every vessel we market.
