Description

Stock #380397 - Reasonable Offers Will Be Considered!!! The 2011 Monterey 234 FS (234FS) is a 24-foot fiberglass bowrider sport boat powered by a MerCruiser 5.7L V8 gasoline engine with a Bravo Three dual-propeller sterndrive. Designed for family cruising, tubing, waterskiing, and recreational boating, this Monterey combines V8 power with comfortable seating and a versatile open-bow layout. The bowrider design features forward bow seating, wraparound cockpit seating, and a transom bench, providing separate spaces for passengers to relax while cruising or anchored. A walk-through windshield allows convenient movement between the bow and cockpit, while the bimini top provides shade during sunny days on the water. Additional features listed for this boat include an in-floor ski locker, under-seat storage, a swim platform with stern boarding ladder, and a walk-through transom. These features provide convenient storage for watersports equipment and easier access to the water when swimming or enjoying time at the sandbar. The MerCruiser 5.7L V8 is paired with a Bravo Three sterndrive featuring counter-rotating dual propellers, a configuration designed to support acceleration, handling, and low-speed maneuverability. Cockpit conveniences include a stereo with Bluetooth connectivity, beverage holders, and a freshwater washdown system. The boat also includes bow and cockpit covers and a full boat cover for storage protection. An included 2020 Rocket aluminum tandem-axle trailer provides flexibility for transporting, launching, and storing the boat. Located in St. Augustine, Florida, this 2011 Monterey 234 FS is worth considering for buyers searching for a used Monterey bowrider, a 24-foot V8-powered sport boat, or a family watersports boat with a Bravo Three sterndrive and tandem-axle trailer.
