Description

Stock #479946 - Your next fishing adventure starts here: A 2023 Bayliner Trophy T24 CC with Mercury 250 HP! Simrad GPS! T-top, and room for family and guests! The 2023 Bayliner Trophy T24 CC is built for anglers who want offshore-capable performance without giving up family comfort. Power comes from a Mercury 250 hp four-stroke outboard, delivering strong acceleration, efficient cruising, and the quiet operation Mercury is known for. The deep-V hull handles chop with confidence for a smooth, dry ride, whether you're running the bay at first light or heading past the jetties. The center console layout offers true 360-degree fishability, with room to work fish from bow to stern. A leaning post keeps you steady underway, while rod holders, rocket launchers, and ample storage keep your gear organized and ready. The helm provides clear sightlines and easy control, and the T-top offers welcome shade on long days in the sun. The Simrad GPS will guide you to your favorite fishing spot! There is room inside the console for a porta-potty. Forward seating turns the bow into a comfortable spot for guests once the lines come in. Whether you're chasing redfish, trolling nearshore, or cruising with friends, this Trophy T24 CC delivers versatility, reliability, and serious fishing capability in one well-rounded package. Don't miss this one, call today for a personal or virtual showing. This is a brand new listing, just on the market this week. Please submit all reasonable offers.
