Description

Stock #511386 - Beautifully maintained 2007 Sea Ray 240 Sundancer express cruiser with trailer included! This 2007 Sea Ray 240 Sundancer combines sporty performance, comfortable overnight accommodations, and the quality craftsmanship that has made Sea Ray one of the most recognized names in recreational boating. Whether you're planning a day of cruising, entertaining friends, or a weekend getaway on the water, this versatile express cruiser offers an excellent combination of comfort and functionality. Measuring approximately 26 feet overall with the extended swim platform and featuring an 8-foot-6-inch beam, the 240 Sundancer provides a spacious layout while maintaining a manageable size. Its deep-V fiberglass hull with an 18-degree transom deadrise is designed to deliver a comfortable ride and responsive handling. The 2007 model was offered with a MerCruiser 5.0L MPI gasoline engine producing 260 horsepower, paired with a Bravo III sterndrive. This combination provides the power needed for recreational cruising and watersports while offering smooth maneuverability around docks and marinas. The boat also features a 75-gallon fuel capacity for extended outings on the water. The thoughtfully designed cockpit offers comfortable seating for family and guests, including a designated conversation area and a removable table for enjoying meals or refreshments outdoors. A convenient cockpit wet bar provides additional entertaining space, while the helm features easy-to-read instrumentation, accessible controls, and excellent forward visibility. The integrated swim platform and boarding ladder make swimming and watersports convenient and enjoyable. Step below deck and discover a surprisingly spacious cabin with attractive cherry wood-finish cabinetry and a functional layout designed for weekend cruising. The forward V-berth converts from a comfortable dining area into a sleeping space, while the separate mid-cabin berth provides additional accommodations for overnight guests. The galley is equipped with a refrigerator, microwave, sink, and convenient storage cabinets, making meal preparation aboard simple and practical. The enclosed fiberglass head provides privacy and convenience, with freshwater plumbing and a marine sanitation system. Additional factory features include a Clarion AM/FM/CD stereo system, Sirius satellite radio capability, 30-amp shore power connection, onboard battery charging, and multiple storage compartments throughout the vessel.

The 20-gallon freshwater capacity adds convenience for overnight stays and extended days away from the dock. The Sea Ray 240 Sundancer is an excellent choice for boaters looking to move into a comfortable cabin cruiser without sacrificing the performance and enjoyment of a sport boat. Its combination of overnight accommodations, entertaining space, and recognizable Sea Ray styling makes it well suited for couples, families, and recreational boaters alike. Don't miss the opportunity to make this 2007 Sea Ray 240 Sundancer your next adventure on the water. Contact us today for additional information, to discuss an offer, or to schedule a showing. We always recommend that buyers conduct a professional third-party inspection and marine survey to verify the vessel's condition and the operation of its systems before completing a purchase.
