Additional information

Description

Stock #486829 - 2024 Bayliner Trophy T22 CC with a Mercury 200 HP four-stroke engine. A versatile center console built for offshore fishing and family fun. The 2024 Bayliner Trophy T22 CC is a true crossover center console, built to handle serious fishing trips and laid-back family outings with equal ease. Power comes from a Mercury 200 HP 4-stroke engine, an engine known for quiet operation, smooth acceleration, and excellent fuel efficiency. This 22-foot boat offers a confident, comfortable ride, so you can head out early and stay out longer. The center console layout keeps the deck open from bow to stern, giving anglers plenty of room to work a fish from any angle. When the lines come in, that same space makes it easy for family and friends to spread out and relax. The helm is laid out with simple, intuitive controls, keeping everything you need right at your fingertips. A self-bailing cockpit means less worry about spray and rain, and it makes cleanup at the end of the day quick and easy. Whether you are trolling the flats, running to your favorite offshore spot, or pulling tubers on a summer weekend, the Trophy T22 CC adapts to whatever the day brings. The Mercury 4-stroke engine backs it all up with performance that lets you spend exhilarating time on the water and less time at the dock. With its blend of rugged utility, everyday comfort, and trusted power, this boat is ready for action. Come see it in person, or better yet, make an offer today! This listing is new to market.
