Additional information

Description

Stock #506817 - 2019 Nitro Z19 Sport. Great Fish & Ski family boat with a low hour Mercury ProXS 150 outboard. Trailer included! The 2019 Nitro Z19 Sport is a multi-purpose fiberglass fish-and-ski hybrid boat that bridges the gap between tournament fishing and family recreation. Built on a hand-laid fiberglass hull with a 16-degree deadrise, this 19-foot 5-inch boat features a dual-console layout with a walk-thru windshield that shields passengers from the wind. The cockpit area includes comfortable passenger seating, an insulated cooler, and a Bluetooth sound system. For water sports, it features a removable ski tow pylon, molded aft transom swim steps with an integrated telescoping reboarding ladder, and a Bimini top. When transitioning to fishing, the bow and aft areas serve as large casting decks, complete with a Minn Kota bow-mounted electric trolling motor, a 16-gallon aerated livewell, and a center-integrated, lockable rod box capable of holding rods up to 8 feet long. Powering this model is a Mercury 150 Pro XS outboard engine, which provides efficient performance and mid-to-upper 40 mph top speeds depending on passenger load and gear. The vessel is equipped with a 26-gallon fuel tank. This package includes a factory-matching Nitro single-axle trailer fitted with a swing-away tongue to reduce storage space, integrated steps for easier boat boarding, and custom wheels. This setup serves as a capable crossover package for anglers and families alike, ready for immediate transport and water use. Contact us today for your private showing.
