Description

Stock #485961 - A Bluewater Sailing Icon! 2011 Beneteau Oceanis 40 in the water and ready! Bring offers! Check out this 2011 Beneteau Oceanis 40 - an easy-sailing, super comfortable cruiser that's perfect for weekends or longer trips. It's got that wide-beam design that makes it feel way bigger than a typical 40-footer. Down below, it's bright and open with plenty of space to spread out. You have a solid galley with a stove and oven, lots of storage, three cabins, one head with a shower, and one head with a wet bath. Powered by a Yanmar diesel, it's ready to go when the wind isn't cooperating. One nice upgrade on this one is the 4-blade Max-Prop with feathering and reverse capability - it gives you much better control in tight spaces, smoother operation under power, and improved efficiency under sail compared to a standard fixed prop. Overall, it's just a really well-rounded boat - easy to handle, comfortable to live on, and ready to get out on the water without a bunch of hassle.880 watts of solar power, 9" Axiom, newer stereo, and newer VHF radio in the cabin. Starboard helm has a wind instrument and an AIS screen. Port helm has a wind instrument and the control head for the autopilot. The pilot can be set to run a course or to sail the wind. Lastly, there is a 12" Axiom at the helm. The dinghy and 9.9 Yamaha are includedPlease submit any and ALL offers - your offer may be accepted! Submit your offer today! Reason for selling is not using enough. At Pop Yachts, we will always provide you with a TRUE representation of every vessel we market.
