Description

Stock #440095 - Well Maintained 2023 Starcraft SVX171! Trailer Included! Bimini Top! Full Boat Cover! The 2023 Starcraft SVX 171 is a 17-foot-class fiberglass deck boat powered by a Yamaha 115 HP outboard with approximately 90 reported engine hours. Featuring an open seating layout, bimini top, rear swim platform, and included aluminum Road King trailer, this Starcraft offers a practical combination of family cruising, swimming, and recreational watersports. The SVX 171 features wraparound seating that provides space for passengers to relax while cruising or spending time at anchor. Storage compartments throughout the boat help keep life jackets, dock lines, and other boating essentials organized. The rear swim platform and boarding ladder provide convenient access to the water for swimming and other recreational activities. A bimini top offers shade over the cockpit during sunny days. The Yamaha 115 HP outboard provides power for recreational cruising and watersports, including tubing when properly equipped. The engine has approximately 90 reported hours, and the seller reports that it has been professionally maintained. Additional equipment includes a stereo system and navigation lights. According to the owner, the boat's equipment and systems are operating as intended. An included aluminum Road King trailer provides flexibility for transporting, launching, and storing the boat between outings. For buyers searching for a used Starcraft SVX 171, a 17-foot deck boat with Yamaha 115 HP power, a family boat with a swim platform, or a trailerable deck boat for cruising and watersports, this 2023 Starcraft offers a compact layout with useful recreational features.
