Description

Stock #511335 - Turnkey 2022 Sea Ray Bowrider for Sale! Low Engine Hours! Extended Warranty! Full Cover! Priced to Sell! This 2022 Sea Ray SPX 230 OB is set up for easy days on the water with family and friends. The outboard layout gives you an 8 foot 6 inch beam and seating for up to thirteen, so the bow, cockpit, and sunpad can hold a full crew for a cruise, a tow session, or a lazy afternoon at the sandbar. Forward bow seating wraps guests together with storage under the cushions, and the walk thru windshield opens up the breeze when you want it. At the helm and companion positions, bucket seats with flip up bolsters keep your view high and clear. Aft, the convertible sunpad and port transom walk thru make it simple to reach the swim platform, where tan plank style SeaDek and a three step stainless ladder are ready for swimming and boarding.A black watersports tower with a matching bimini brings shade and a high tow point for wakeboarding and tubing. A Fusion stereo with Bluetooth keeps the music going, and a fitted black bow and cockpit cover protects the seating between trips. Power comes from a single 200 hp Mercury four stroke outboard showing 400 hours, with power tilt and trim and hydraulic steering for smooth handling. The included Magic Tilt dual axle trailer makes it easy to tow to the next ramp, whether that is a quiet creek or a busy weekend on the sound. Bring the crew and enjoy a roomy Sea Ray bowrider built for sun, swimming, and watersports. This is a brand new listing, just on the market this week. Please submit all reasonable offers.
