Description

Stock #506514 - Excellent 2020 Sea Ray SPX 190 Bowrider With Low Hours! Mercury 115 Outboard Power! Trailer Included! The 2020 Sea Ray SPX 190 Outboard is a straightforward bowrider built for family days on the water and towing watersports. It stands out for its roomy seating layout, outboard motor, and an easy-to-manage size that makes it a great fit for lakes or coastal bays. The seating layout is open and practical. There are comfortable lounge seats up in the bow and a large L-shaped bench in the main cockpit, along with a swivel captain's chair. The dash is simple and clean, holding standard gauges and a Fusion stereo system. Gray SeaDek foam flooring runs from the main deck out onto the swim platform, giving you a soft, non-slip surface everywhere you step. A black bimini top hooks up easily to give the cockpit plenty of shade. The boat is powered by a Mercury 115 Pro XS outboard motor on the back. For storage, you get standard lockers hidden under the seats and a big in-floor locker to keep skis and life jackets out of the way. It comes paired with a single-axle trailer that has a swing hitch arm, which helps it fit much easier into garage storage. The boat has Simrad Go5 nav-fishfinder, stainless steel prop, on-board battery charger, NMEA 2K backbone with external GPS antenna, custom flooring, blue accent lights, large ski locker, Mercury Vessel View, Fusion stereo. Reach out today to set up a time to come check it out. This listing has now been on the market 30 days. If you are thinking of making an offer, go ahead and submit it today! Let's make a deal!
