Description

Stock #510687 - 2019 VERANDA VTX22RC VERTEX TRI TOON YAMAHA 150 ready for waterExperience the pinnacle of pontoon craftsmanship with the 2019 Veranda Vertex VTX22RC. Veranda Luxury Pontoons has earned its reputation since 2006 by engineering boats that never force a choice between exhilarating performance and pure relaxation. At the heart of every Veranda is the patented all-aluminum, all-welded interlocking deck system--an industry-leading foundation with no wood, no screws, and no cross-members. This no-rot construction delivers exceptional rigidity, a quieter and cooler ride, unmatched durability, and a lifetime structural warranty on the deck, ensuring your investment holds its value for years of family memories. The Vertex RC layout is thoughtfully designed around comfort and versatility. Four premium chaise lounges (two forward-facing and two rear-facing) create an inviting social space where guests can stretch out, converse, or simply soak in the scenery. The fiberglass console with its French-seamed vinyl-wrapped dash and raised SeaDek-surfaced helm platform puts the captain in command, while a convenient privacy room offers discreet changing space. A removable table, under-console storage, and center-toon in-floor storage keep essentials organized, and the open deck flows naturally from bow to stern for effortless entertaining or relaxed cruising. Performance and features match the luxury pedigree. Built on three 27-inch, 0.100-gauge pontoon tubes with lifting strakes and a VLP performance motor pod, the VTX22RC delivers a stable, responsive ride with its 150 horsepower Yamaha 4-stroke motor. Highlights include a Simrad GO7 GPS with digital gauge readout, hydraulic tilt steering, electric bimini with integrated LED lighting, and a sophisticated Infinity

Bluetooth audio system complete with backlit cabin speakers and subwoofer. RGB underwater, underdeck, and interior mood lighting set the perfect evening atmosphere, while lighted cup holders, a refrigerated helm cup holder, portable armrests, a ski tow bar, stainless ladder, and rear entry gate add everyday convenience. Dual battery harness, powder-coated rails with stainless mesh accents, and the exclusive Sure Seal snapless cover complete the package. With a 22-foot deck, 8'6" beam, and capacity for up to 13 passengers, the Vertex VTX22RC is the ideal size for couples, families, or small groups seeking refined style and dependable quality on the water. Step aboard a Veranda and discover why owners choose this brand for a true lifetime of enjoyment. This is a brand new listing, just on the market this week. Please submit all reasonable offers.
