Additional information

Description

Stock #508995 - 2024 Harris Cruiser 230 Tritoon powered by a Merucry 150 engine! Plenty of room for everyone! Ready for a serious upgrade to your time on the water? The 2024 Harris Cruiser 230 pairs a spacious, comfortable deck with the added performance of three pontoon tubes and a Mercury 150 HP outboard. The Cruiser's open layout seats family and friends with room to spare, so every outing feels easy, whether you're hosting a sunset cruise or spending a lazy afternoon at anchor. The third tube is what sets a tritoon apart. It adds buoyancy and stability, helps the boat ride higher and more level, and improves handling in turns and rougher water. Paired with the Mercury 150HP, you get smooth acceleration, confident control, and plenty of power for cruising or pulling watersports. Plush seating, a flexible layout, and quality finishes make it easy to entertain, sunbathe, or just relax. It's a boat that looks as good as it drives. Whether you've been on the water for decades or you're buying your first boat, the Harris Cruiser 230 is easy to love: Mercury power, a stable ride, and room for everyone. Don't wait on this one. Contact us today to learn more about the 2024 Harris Cruiser 230 Tritoon or to schedule a walkthrough. This listing has now been on the market 30 days.
