### Additional information

Description

Stock #505332 - Great Condition. Recently Serviced. Many Upgrades. Ready for the Water. Step aboard this 2008 Chaparral SSi and you'll find a versatile boat designed for spending full days on the water with family and friends. Having been used exclusively in freshwater and kept covered, this boat offers the kind of ownership history to look for when considering a used boat. At the helm, the GPS helps with navigation and finding your favorite spots. At the same time, the cockpit provides a comfortable space for cruising, relaxing, and entertaining, with plenty of seating for everyone to stay together while underway. Move forward to the bow, and there's additional seating and room for the family to stretch out, whether you're cruising across the lake or anchored in a quiet cove. The onboard enclosed head adds convenience for longer days on the water, especially when spending the day with family. The stereo system adds to the fun during swimming, cruising, or relaxing together on the water. With 1,022 hours, available service records, freshwater-only use, GPS, and enclosed head, this Chaparral is ready for family lake days, weekend outings, and plenty of time spent together on the water. This listing has now been on the market a couple months. Please submit any and all offers today! Reason for selling is not using enough.
