Additional information

Description

Stock #497973 - 2016 SunDancer with only 139 hours. A Gem Vessel in great Condition. The Cockpit Seating Layout in the cockpit is optimized for effortless entertaining, highlighted by a uniquely versatile seating configuration. Instead of rigid benches, Sea Ray implemented a pivoting port-side lounger and a folding aft seat. With a quick adjustment, the rear seating area seamlessly transforms into an expansive, continuous sun pad facing the water. This design allows passengers to shift smoothly from conversational dining around the removable cockpit table to relaxing directly over the swim platform.,MerCruiser 6.2L V8 Propulsion at the heart of the 260 Sundancer is the standard MerCruiser 6.2L MPI engine delivering 350 horsepower, paired with a Bravo Three dual-prop sterndrive. The dual-propeller system provides immediate plane times, excellent tracking, and confident low-speed maneuvering around tight marina slips. It comfortably cruises in the mid-20s and can top out over 40 mph, delivering a sporty ride that rivals smaller bowriders. Four-Person Luxury Cabin beneath the deck lies a bright, open cabin that maximizes every inch of structural space. Unlike cramped cuddy cabins, this space features a full fiberglass enclosed head with a VacuFlush toilet and pull-out shower, a dedicated galley kitchen with a dual-voltage refrigerator and microwave, and dedicated sleeping quarters for four adults. The forward V-berth functions as a spacious dinette by day and converts to a double bed by night, while the private mid-cabin berth offers a cozy secondary mattress tucked under the cockpit sole. Its trailerable 8-foot 6-inch beam ensures you are never restricted to a single body of water, while its premium amenities make you feel right at home wherever you drop anchor. This listing has now been on the market a couple months. Please submit any and all offers today! Reason for selling is downsizing. At Pop Yachts, we will always

provide you with a TRUE representation of every vessel we market. We encourage all buyers to schedule a survey for an independent analysis.
