Description

Stock #505369 - 2023 Key West 179 FS center console with Yamaha 115 power, Garmin ECHOMAP, Minn Kota Terrova and aluminum trailer. This 2023 Key West 179 FS offers an appealing combination of very light use, Yamaha four-stroke power, and many seller upgrades. Powered by a Yamaha F115XB 115 HP four-stroke outboard, the seller reports using the boat for only six partial-day outings and estimates the engine has less than 30 hours. Added equipment includes a Garmin ECHOMAP multifunction display with a transom-mounted transducer, Minn Kota Terrova trolling motor, and bimini top. Bennett Marine trim tabs, a stainless steel propeller, dual-battery setup, and onboard marine battery chargers further complement the package. The 179 FS is designed to give buyers the fishing capability of a center console while remaining manageable for trailering, launching, storage, and family use. Key West equipped the model with an aerated livewell, raw-water washdown, molded anchor locker, bow casting deck, and extensive storage. At the helm, the Garmin provides navigation and sonar capability, while Yamaha analog instrumentation, hydraulic steering, compass, switch panel, and engine controls are readily accessible. Seating includes the helm leaning-post arrangement, forward console seating, bow seating/casting areas, and folding aft seating. Factory specifications for the 2023 179 FS include a 17'9" overall length, 7'4" beam, 12" draft, 15-degree deadrise, approximately 1,450-pound dry weight, 40-gallon fuel capacity, and six-person capacity.A single-axle Magic Tilt aluminum trailer is included. The seller is selling because the boat simply is not getting enough use, and he now has access to his son's boats. This listing has now been on the market a couple months. Please submit any and all offers today! Reason for selling is not using enough; access to son's boats. At Pop Yachts, we will always provide you
