## Informação Adicional

Descrição: Heavy Duty World Cruiser

El Shaddai, a design by world renowned naval architect Bruce Roberts, was painstakingly built by her owner in 2011 to be capable of circumnavigating in safety and comfort. Whether you want to sail the world or just the Caribbean this is the boat that can do it. In addition to her classic lines she is built with exceptional strength and capacity. If you want a boat that's comfortable, safe El Shaddai is it.

- 1200 nautical mile fuel capacity
- Cruise RO watermaker for unlimited water capacity
- 60 pound freezer capacity plus huge refrigerator
- A full year of propane supply
- Interior of the hull sealed with polyurethane foam for sound and heat insulation
- 1/2" steel in the bottom of the keel and skeg
- Leading edge of the keel incorporates a 2.5" pipe filled with lead to deflect submerged objects
- Compartments can segment the hull in case

of a breech

- Custom built spars by Selden far stronger than production boats

Accommodations

From the cockpit step down a few steps into the pilothouse. The helm is to starboard and a settee/berth is to port. The settee converts into a large double berth. Just behind the helm seat is a diesel cabin heater. A few steps further down lead to the saloon. Immediately to starboard is a U-shaped galley. Opposite is the nav station. The pilothouse is open to the galley, nav station and saloon below. Just forward of the nav station is a U-shaped dinette. Forward and opposite the dinette is the owner's head and shower. The vee berth is the owner's stateroom. A companionway leads aft from the pilothouse to two guest staterooms. Each has a private head with shower.

- 3 private staterooms with ensuite heads and showers

- Accommodations for 8 in 4 queen berths

- Dining for 6 at the dinette

- 2 MarineAir 16,000 btu air conditioners

- Pilothouse for comfort underway in any
