Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

2000 Four Winns Vista. Newer Garmin navigation system. Newer battery and charger. Newer water pump.

This 2000 Four Winns Vista 248 has a 5.7 liter and is ready to go with around 40 hrs on the engine from Michigan Motorz.

The cockpit area has three distinct areas giving the entire boat an open feel.

The helm's console runs amidships and goes two thirds of the way across the starboard side of the boat. The remaining stretch is left for the entryway to the cabin.

In addition, a fiberglass stairway is built into the console, allowing you to climb up to the topside area of the bow through the windshield opening.

The doublewide captain's seat at the helm can easily seat two full-size adults.

The helm also includes a full set of instrumentation including an updated Garmin GPS.

The second area of the cockpit is the U-shaped settee that wraps along the backside of the captain's seat, continues down the starboard side of the boat and then winds back along the stern. This great conversation space is where everyone will want to hang out.

The third area is the swim platform, the large swim step/platform leaves more room for spreading out.

In the cabin, the galley is equipped with a microwave oven, electric stove, sink and mini refrigerator.

The Four Winns 248 Vista is a solid, comfortable cuddy cruiser that makes overnight stays on board a total treat.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [SellBoatsAndRVs \[dot\] com](http://SellBoatsAndRVs.com) to learn more.
