Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. 2017 Key largo center console 150XL Mercury with low hours.

Key Largo 210 LX is a Center Console with everything you need for freshwater or saltwater fishing. Unique are the duel transom doors with transom seating.

A Mercury 150 HP 4-stroke outboard engine with hydraulic steering powers the 21-foot fishing boat. The bow sports a Minn Kota Ulterra Riptide trolling motor with 112 pound thrust with an integrated i-Pilot GPS system. On the helm, a Humminbird plot finder provides more guidance on the water.

Rare to find is a walk-In head with storage giving the convenience not found on other center console boats.

The live well sits behind the captain's chair with a clear lid. The back of the captain's seat can be lifted

out for the option to ride without the seat back The cooler sits under the seat in front of the helm.

The helm console with steering includes the clear gauges and instrumentation for your fishing needs. Blue LED lighting warms the beverage holders and courtesy lights giving the boat that extra towards the end of the day's light on the water.

Coaming pads are hefty and line the freeboard. Jump seats with snaps are on the transom. The bench seat folds down to give the option of fishing with more room.

The Semi-Vee hull with chines demonstrated no damage and includes stainless steel rub rails.

All of the boat sits on a Warlock galvanized trailer with the sale.
