Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Striker is a classic boat brand in the marine industry,
manufacturing boats that vary in size from 18 feet to
54 feet.

Striker designs and builds boats with familiar hull
types including deep vee, semi-displacement and
others. They are commonly favored for traditional
boating endeavors including overnight cruising,
saltwater fishing, day cruising and freshwater
fishing.

The 36' Striker is a great example of the exceptional
work and craftsmanship offered by one of the top
producers of aluminum built hull designs

According to the seller, she is powered by Twin
