The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

2021 Yamaha EX Deluxe. The three-cylinder 1049cc engine, combined with a powerful 144mm high-pressure pump. RiDE control system

This 2021 Yamaha EX Deluxe is almost new. With just a few hours on the unit and sitting on a great trailer, it is a great value and ready for the water the same day you buy it.

Equipped with a 3-cylinder, 4-stroke TR-1 Yamaha Marine engine, this baby will get up and go when you hit the throttle. The other great part of the power train is reverse in-ride traction control, it enables shifting from forward to neutral to reverse with one throttle resulting in easier deceleration, reversing and docking.
