Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

HANDSOME & POWERFUL! 1988 PHOENIX 38
WITH TWIN 485 HP DETROIT DIESEL 6-71TIB
ENGINES! SOLID FIBERGLASS HULL & A
WIDE BEAM! NEEDS WORK TO FINISH!

Located in Treasure Island (Tampa Bay), Florida, this 38-foot used Phoenix is a sport fishing yacht that needs work to be finished. Phoenix boats are known for producing ideal offshore fishing boats for sports anglers. Designed with a solid fiberglass hull with a full-length liner and a wide beam, it is a stable boat that is ready to fish. This 38 Sportfish has plenty of space for all your tackle boxes, fishing poles, and other fishing gear. Powered by twin 485 hp Detroit Diesel 6-71TIB engines with relatively low hours for its age.

This is a fishing boat that when new had a luxury yacht feel. It features a spacious layout with great entertaining & living space and a big stateroom with considerable storage space. It is spacious enough to use as a liveaboard.

In the salon, you will notice the wide beam and the amount of natural light there is thanks to all-around windows and a sliding glass door. The engine compartment hatches are in the floor of the salon. Down the steps and you will find the galley to port and the head starboard.

The head can be accessed from the hallway and from the stateroom. It includes a full-standing shower, sink, and electric flush head. The stateroom is spacious and includes a surprising amount of closet and storage space.

The flybridge is surprisingly roomy with two pedestal seats behind the helm station and bench seating around the console. The half tower is fitted with a canvas top that fully covers the flybridge area.
