Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

The Triton TR19 is a bulletproof platform to get out and fish, and this one is being outfitted to have pretty much any bell and whistle expected on a newer model!

This boat can be pushed up well into the 60's by the dependable 175 HP Evinrude Intruder motor to get you to your favorite spot in a hurry! Once there, there is plenty of deck space and storage to get 2 or 3 (there is a third jump-seat on this model) fishing and supplied all day.

The seller has installed the Lowrance plotter at the helm, and is having a Humminbird Helix 10 (pictured in box) and brand new Minn Kota Ultrex trolling motor installed this week 1/22/22!
