Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

36' OFFSHORE FISHING MACHINE powered by
twin 2007 300HP 4-stroke Suzuki's, updated 2013
Hi-Tech tri-axle trailer!

This is a 2007 Twin Vee 36 Ocean Cat. It is
powered by twin 2007 300 hp Suzuki 4 stroke
outboards. Whether you want to run charters, fish
offshore tournaments, or take the family out for the
big ones, this boat will get it done.

The hull is wrapped with a durable and attractive
vinyl wrap. The interior deck has a fresh coat of
tough industrial paint and all cushions have been
newly reupholstered for a great-looking package.

Fishing equipment includes 3 Frigid Rigid ice
chests/fish boxes. One in front of the console, one
under the captain's leaning post, and a 300 qt under

the rear leaning post. Rod holders with new inserts along each side gunnel, on the T-top, and on the leaning posts and transom. Two 20' telescoping outriggers are mounted on the T-top for setting a wide array. There is also a large live well with prep station and Kristal under gunnel plugs for electric reels.

An impressive electronics package on this boat sets it apart from the rest. There are two Garmin 12" units with GPS, sonar and radar functionality. Sonar is coming through a new Airmar thru-hull transducer.

Mechanical upgrades include Seastar hydraulic steering rams and hoses. There is also a rebuilt trailer brake cylinder. Updated 6000 lb trailer axles (3) and bunk boards with HPDE slides and wiring harness round out trailer upgrades. It also has six recent tires and 2 mounted spares.

The following is a list of all upgrades to this boat:

New Twin Vee decals
Motor cowlings and midsections freshly painted
New Suzuki decals
New eisenglass wind screen
New rod holder sleeves
(2) new Seastar hydraulic steering rams and all new hydraulic hoses throughout
New Armstrong ladder
Trailer bunk boards covered with black HDPE slides
(7) new 14-ply flat tread tires (6 on trailer plus spare)
Completely rebuilt trailer brake cylinder
(2) trailer-mounted spare tires with hubs
New trailer light wiring harness
(4) new Fusion Signature series marine speakers
New marine amplifier
(4) Kristal under-gunnel deep drop plugs
(2) new Lumitech Seablaze underwater LED lights
All new anodes on both motors
New marine amplifier
4 new Fusion Signature Series marine speakers
2 new bilge pumps with new float switches

This Twin Vee is ready to hit the water. It was fished just recently, but needs a new home. Let's get those offers in!
