Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Hobie 33 racing sailboat, up to 18 knots.! The seller says she is so fast it can be scary.!

The seller loves the performance and has her highly modified. As an ULDB (ultra light displacement boat), her PHRF Rating is 80.!

She is 8' wide x 33' long, 7' draft and only 4000 lbs. This is a reaching and downwind racing machine with the ability to stay with competitors upwind.

Lifting keel narrowed and lengthened to match modern keels, now 18" wide (naca foil shape) x 7' deep. Keel bulb lengthened, shaped and 300lbs added.

Hobie rudder replaced with a lightweight Melges 30 rudder.

Old rudder: 21.5\" wide x 37\" deep.

New rudder: 12.5\" wide x 52\" deep less wetted surface and 15\" deeper.!

5.5' bowsprit added, downwind and reaching asymmetrical spinnakers. Roller furler added.!

Recently added square top mainsail with running backstays, catch more air up top and downwind - increased sail area. The weaker Hobie mast was replaced with a stronger J30 racing mast.

Includes keel lifting mechanism for keel and mast can be raised and lowered with crew...No in/out costs necessary at marinas.
